

Lesson: **Scholarships 1**  
(Learner's document)

### Activity 1

You're thinking of moving to another European country in order to continue your training. According to your studies and experience, search out which grants or scholarships are offered by your country to continue your studies abroad.

Please write down the resources you collect.

## Activity 2

Once you have collected some resources, find other people in your classroom with a similar profile and interests. Form groups of 3 or 4 people.

Exchange the information you have with the other group members and decide which materials are the best.
