

How is the European economy?**Learner document****Level: B1/B2****ACTIVITY 1**

- By means of different webpages, for example:

[http://europa.eu/about-eu/facts-figures/economy/index es.htm](http://europa.eu/about-eu/facts-figures/economy/index_es.htm)

You must do a summary with the main information about the economic condition of a European country.

ACTIVITY 2

- **You must prepare a document with tables and figures where you indicate all the necessary information to show how is the economy of the European country you have chosen.**

ACTIVITY 3

- **Compare your document with your group mates' ones. Try to consider the main similarities and differences between the country you have chosen and the countries' of your mate. You have to correct mistakes in content and format of another student's document.**
- **Do a debate about the European economic state, main advantages and problems, at that moment.**
