

## **Questions to bear in mind for the obtaining of the electronic visa**

**Travel document:** Ordinary Passport.

You have to have a valid passport for at least 6 months from the date in which you have the intention of entering Turkey, and the reservation of flight (or any other way of transport) and a credit card (Visa or Mastercard).

**Do I need to enter Turkey on the exact date specified in my application?**

No. The validity period of your e-Visa begins from the date specified in your application. You can enter Turkey on any date within this period.

**If my travel dates change, can I apply for e-Visa amendment for change of date?**

No. You must obtain another e-Visa.

**How do you protect the information that I share during my e-Visa application process?**

The Republic of Turkey does not sell, rent or otherwise use for commercial purposes any personal information entered in the e-Visa Application System to third parties. Any information obtained at each stage of the application and the e-Visa issued at the end of the process are stored in high security systems. The applicant bears full responsibility for the safety of the soft and hard copies of the e-Visa. The applicant bears again full responsibility of this information should it fall into the hands of third parties.

The barcode on the e-Visa stores applicant's information in an encrypted and electronically signed form, designated by the Ministry of Foreign Affairs of the Republic of Turkey. Access to the content of the barcode is solely provided to the institutions authorized by the Ministry

of Foreign Affairs of the Republic of Turkey. The applicant bears full responsibility for any inconvenience that may result from barcode alterations or forgery caused by the applicant.
