National Information AUSTRIA

Access to the labour market - general remarks

- Compared to general European situation low unemployment rate (source: statistical service Austria, http://www.statistik.at/web_en/statistics/labour_market/index.html, last checked 03.06.2014)
- Rather complicated educational system (source: Austrian Federal Ministry of Education and Women's Affairs, <http://www.bmukk.gv.at/enfr/school/schools.xml> ; OeAD, <http://www.oead.at/index.php?id=465&L=1>, last checked 03.06.2014)
- Current strongest migrant group on the labour market: German nationals
- High level of language skills (German, English) expected
- Low job chances for unskilled workers (payment, security, ...)
- High importance of the informal labour market
- "Classic" sectors for migrants of the labour market: tourism, agricultural industry
